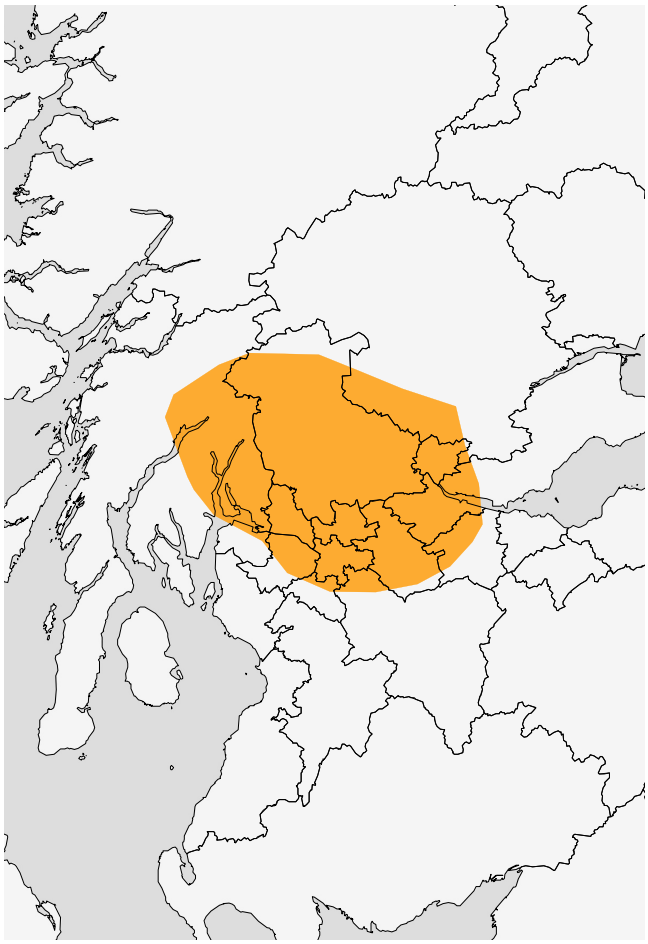
Amber warning
Snow

Between
05:00 Fri 16 Dec 2022 and
12:00 Fri 16 Dec 2022



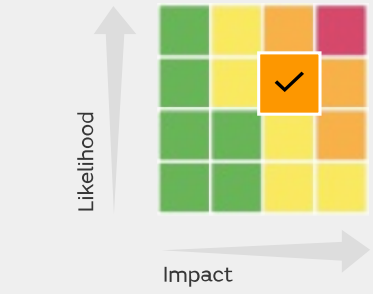
Heavy snow causing disruption on Friday morning.

What to expect

- Travel delays on roads are likely, stranding some vehicles and passengers
- Some delays and cancellations to rail and air travel are likely
- There is a good chance that some rural communities could become cut off
- Power cuts are likely and other services, such as mobile phone coverage, may be affected

Further details

Outbreaks of snow are expected to move eastwards across Scotland on Friday. Snow will initially fall to low levels, with 5 to 10 cm accumulating in places this morning in two to three hours. From late morning, snow at low levels will turn to sleet or rain, but further snow is likely above 200 metres where up to 20 cm may accumulate by afternoon.



Medium likelihood of medium impacts
